OFFICE -In the new Post Office Building Merchant Street, Honolulu, H. I.

My Old Love.

A BRIDGE WILLIAMS to this is Janet's welding-day range that my beart should feel so gay And free from sorrow? For twee through her a year ago, I cut me down in bitter was And prayed that I might never know

Another morrow.
An, well | such day fresh knowledge brings And hearts are very changeful things. I level ber wildly sace I trow,

i, footish, thought I ne'er could go Through life without her. and now, although she's just as fair-The same bright eye and winning air-Not really I don't some formers A bit shout her?

Ak I truly hearts are changeful things? a tittle wite within me sign. So keev's my old love open again, unded by her beidel train-

And so I would the discples play On the suft check in that array, No said ning thought this joyous day In me reposes. Alt levery day new beauty brings. Most truly hearts are changeful thing So, Janet, I can wish you well; For you may each glad wedding-hell

And as for mon-to win that face,

That's glowing there with sunny grace,

Bright Mushing roses?

To fill a bride's-not bridespatid's-place, "Due well it is," a soft voice sings, That learn are made such change at this

Wold.

G. WESTBERLY

The heart and soci and perfect man Is bord and golden money There's never life of gall that gold

What withered hope but blooms afreeb floreath a golden abower? Who below than the plain-faced bride With weighty golden dower? No matter what the wrong may be,

Though we may weep if poor to-day,

We'll laugh if rich to-mornw, The cent has been that "gold is dross," I'll now from the beginning. But necks that how and hearts that break And life and honor form the stake That shows it worth the winning

Useful and Interesting.

The investigation now going on in the British Par

liament un foreign foans will probably result in high-

ly important revelations, likely to prove beneficial to

market will be compelled to surrender a very consid-

erable proportion of their clients' ill-gotten gains.

According to the latest report current on 'Change,

claims have been preferred to the extent of nearty

and the bulk of the loss will fall upon one or two of

the principal financial houses of the City of London.

Cost of NATIONAL PRINTING .- Among other cost-

ly white elephants kept by the Government of the

years, and didn't get so many only because the ap-

propriations were short. Both the Agricultural

Borean and the Government Printing Office should

Jessmoch as paper has been made available for

the manufacture of almost every variety of furniture

and articles of dress, it is passing strange that paper

coffice should have been left till this late day un-

thought of. The undertaker is certainly not an en-

terprising party. Trunk makers have long been

credited with paing all the unsalable printed books :

but at the present rate of production, were every trav-

that all the book-sheves in the world would not con-

tain a tithe of them. To further reduce the stock, a

journyer to that bourne whence no traveler returns,

with the last trunk made of papier macke, water-

WEAT Mosquirous and Fon.-Dr. Samuel W.

Francis, of the New York Academy of Medicine,

says : Education teaches us to see beyond the sur-

face. Taking as my standpoint the aphorism that

all things were crested for some purpose, it is my firm

conviction that the mosquito was created for the pur-

pose of driving man from malarial districts; for I do

not believe that in nature any region where chills

and fever prevails can be free from this little animal.

Now, if man will not go, after the warning is given

in humming accents, then the mesquite injects

poses-firstly to render the blood thin enough to be

drawn up through in its tube, and secondly, in order

to inject that which possesses the principles of qui-

MORE WOMEN THAN MEN IN GERNARY .- Some in-

teresting figures bearing upon the proportion of males

been published. Emigration has for many years

caused a constant drain upon the strongest of the

young male population of Germany, and the effect of

this emigration upon the proportion of the sexes has

been increased by the war of 1864, 1866, 1870 and

1871, which rendered the military burdens of the pen-

ple more intolerable, independent of the loss to the

male population by the deaths of soldiers in these

Schleswig-Holstein and Austrian wars-the excess

had in two years increased to 471.885. In December.

1871, however, the effects of the Fenroh war were shown in an ascertained surplus female population of

over males increased by no less than 14 per cent.

755,875. Thus in seven years the excess of females.

laborious and expensive blasting. There is a tunnel

in England-that of Kilsby, which has been bored in

softer material, like that to be constructed under the

water often drowned the works, requiring thirteen

steam engines, 200 horses, and 1,500 men, working

night and day. The engines pumped from the quick-

sand alone 10,000 gallons of water per minute; not-

withstanding this, the expenses were, after comple-

tion, scarcely half as much per mile as they were in

tunnel is to cost at this rate, it is estimated at only \$28,

000,000; if at the rate of the Mount Cenis tunnel, it

would cost some \$80,000,000; but then with ou

The Sawn Brasting - The practical value of that

wonderful invention, the sand blast, has now been dem-

outrated in such a variety of modes and applications

as to admit of no doubt in regard to its permament

place in operative mechanisms. It reproduces on

glass the finest steel engravings it carves the most

delicate designs on cut glass, it engraves camees,

and does in five minutes work which it takes the

solid granite and murble disolving before it quicker

than snow melts in hot sun. And all this is on the

simple principle that sand acts on the surface of glass

and other mineral, but not upon any vegetable or

nuimal substance; so that when a surface of glass

or stone is partly covered with paper or coth, leather, grease, or ink, the sand will fall harmlessly away from the paper, etc., but will eat into mineral as cer-

DR. J. COLLIS BROWNE'S

IS THE ORIGINAL AND ONLY GENUINE. THE PUBLIC ARE CAUTIONED AGAINST the unfounded statements frequently made, "that the composition of Catonobyse is known to Chemists and the Medical profession." The fact is, Chlorodyne was discovered and invented by Dr. J. COL-LIS BROWNE (ex Army Medical S.aff), and so named by him, and it has baffed all attempts at anal-yais by the first Chemists of the day. The method and secret of the preparation have never been published. It is obvious, therefore, that anything sold under the name, save Dr. J. COLLIS BROWNE'S CHLORODYNE, is a spurious imitation.
CAUTION.—Vice-Chancellor Sir W. P. Wood stated that Dr. Collis Browne was undoubtedly the inventor

of Chlorodyne.
REMEDIAL USES AND ACTION. REMEDIAL USES AND ACTION.

This invaluable remedy produces quiet, refreshing alsept relieves pais, calms the system, restores the deranged functions, and stimulates healthy action of the secretions of the body, without creating any of those unpleasant results attending the use of optim. Old and young may take it at all hours and times when requisite. Thousands of persons testify to its marvellous good effects and wonderful cures, while medical men extol its virtues most extensively, using it is great quantities in the following diseases:—Cholera, Dysontery, Diarrhox, Colins, Coughs, Asthma, Hheumatium, Neuralia, Whooping Cougu, Cramp Hysteria, &c.

EXTRACTS PROM MEDICAL OPINIONS.

The Right Hon. Earl Russell communicated to the College of Physicians, and J. T. Davemport, that he had received information to the effect that the out remedy of any service in Cholers was CHLORODYNE.—See Lancet Dec. 31, 1864.

Dr. Love, Medical Missionary in India, reports (bec., 1865) that in nearly over case of Cholers in which Dr. J. COLLIS BROWNE'S CHLORODYNE was administered, the patient BROWNE'S CHLORODYNE was administered, the patient recovered.

Batract from Medical Timer, Jun 12, 1866.—"Chlorodyne is prescribed by accesse of arthodox medical practitioners. Of course it would not thus be singularly popular did it not supply a want and fill a place."

Extract from the General Board of Health, London, as to its efficacy in Cholera.—"So strongly are we convinced of the minense value of this remedy, that we cannot too forcibly gree the necessity of adopting it in all cases."

CAUTION.—None genuine without the words "Dr. J. OLLIS BROWNE" on the Government Stamp. Overwhelming medical testimony accompanies each bottle.
